

Amy Eisner of New Beginnings was recommended to me by a friend to help me advocate for my son.

This friend said

“Amy is a pit-bull and that is who I would want by my side during PPT’s.” This statement was fulfilled in ever possible way! Amy, read through all of my son’s files. She then accompanied us to his PPT at our local school. (What a relief it was not to be so out numbered at those PPT’s). During the PPT Amy made several insightful recommendations to improve my son’s current schooling. She was firm about changes that needed to be made, but also used her sense of humor to ease tension in the room. 7 out of and the 8 changes Amy recommended, and the 8<sup>th</sup> one was temporarily shelved for a future date. I have already give out her card twice, and have recommended her to anyone I know who have children with special needs. She is knowable caring, but most importantly she performs! Thank you, Thank You, New Beginnings. My son is getting better for your tenacity

Amy, you have truly been amazing.. Thank you for all you’ve done and continue to do.
