Dear Amy,

Nicky and I would like to thank you for all of your hard work and dedication you put into helping our daughter Ashley. We are glad to have someone who actually realizes and notices the extent of what we have been trying to accomplish. That is to let our daughter have what she deserves A GOOD EDUCATION. We are both truly grateful for the time in which you have spent going above and beyond your call.

I was truly surprised on how difficult the school districts can be to actually give help to a child in need. It really makes me upset, angry & sad knowing this happens every day.

We look forward to continue to work with you throughout our daughter's education path. I know for sure we could not have come this far without your knowledge and wisdom of the special education laws. It was a big help having you guide us through this difficult time. We will most certainly be staying in touch with you.

Thanks Again,

Glen & Nicky
